

RENTAL BOAT INFORMATION

In order to operate a motorboat of ten (10) horsepower or greater, Florida law requires anyone who was born on or after Jan. 1, 1988 to successfully complete an approved boating safety course and obtain a Boating Safety Education Identification Card issued by the FWC. Florida does not have a "boating license." The Boating Safety Education Identification Card is proof of successful completion of the educational requirements and is valid for life.

For more information, please visit:
<https://myfwc.com/boating/safety-education/courses/>
